Special Note Regarding the 2011 Parade Line-Up!

Construction on the new Orrville High School is scheduled to begin sometime early summer 2011 and may require changes in manner in which the parade line-up is handled.

At the time of this mailing the OFFA is unsure if or how the new construction project will affect the parade as well as other aspects of the July 4th Celebration on Orrville.

Information regarding any required changes will be immediately posted on the following web sites:

- www.orrville.com
- www.orrvillefirefighters.org

Additionally, the Orrville Firefighters Association's "Facebook" page will be updated daily with any important details regarding the 2011 July 4th Celebration.

Please remember absolutely NO "THROUGH TRAFFIC" will be permitted on Ella Street beginning at 5:00 p.m. on the day of the parade. Your parade unit and/or all participating personnel must enter the parade line up area from Mineral Spring Street!

The Orrville Firefighters Association thanks you in advance for your understanding and cooperation in working through these changes.
